RETAIL ANALYTICS . EXECUTIVE SUMMARY

Key Business Insights

Sales Performance, profitability, and recommended actions

📈 01 | CATEGORY PERFORMANCE Technology

Technology generates the highest sales and profit among the three categories.

⚠️ 02 | PRODUCT LOSSES

Tables and Bookcases have negative total profit and deserve further investigation.

💰 03 | DISCOUNT REVIEW

Some discount levels are associated with negative total profit. Review pricing and discount policies.

🌎 04 | REGIONAL PERFORMANCE

Compare regional sales, profit, and profit margin to identify differences in performance.
